

## **Wetlands Board**

### **Mission:**

The Wetlands Board administers the policies and laws that apply to the County's tidal wetlands, as provided in Title 28.2, Chapter 13, *Code of Virginia*. Enforcement of the Wetlands Ordinance is the sole responsibility of the Wetlands Board which has the authority to issue "Stop Work" orders, require restoration of damaged wetlands, and level appropriate civil charges up to \$10,000.

### **Goals:**

- It is the Board's responsibility to hold public hearings on requests for construction within tidal wetlands, evaluate such request in terms of the ecological significance of the shoreline construction, and either grant or deny the wetlands permit.
- Provide advice and information to County citizens concerning wetlands protection.
- Permit review includes site inspections prior to approval and upon completion.
- Board members and staff attend training seminars and workshops to increase their knowledge and expertise of wetland laws and shoreline construction techniques.
- The Stormwater Management Division and Virginia Institute of Marine Sciences provide staff support services.
